

Hot Tub Buyer's Checklist

What's important to you?

 **Relaxation**

 **Hydrotherapy**

 **Pain Relief**

 **Social Time**

size

How many people will the hot tub accommodate at one time?

water

Super clean? Salt water? Easy maintenance? "Cool Tub" in summer?

jets

How strong? Moving massage style? Adjustable?

design

Colors? Lighting inside or outside? Water features?

comfort

How does it feel? Are jets, controls, steps where you need them?

installation

How will it fit in your space? Does it need to operate quietly?

entertainment

Would you like wireless speakers for music or other audio?

efficiency

How much will your monthly electric bill be?

lifespan

How many years will the spa last?

dealer reputation

Good reviews? Local support and service?

value

What is your *actual* total monthly investment, with energy costs and lifespan factored in?
